Sir:

On Page 3 of the Notice of Allowability dated mailed July 17, 2008, the following statement of Reasons for Allowance is provided: "None of the art of record alone or in combination discloses a stent surrounding and attached to a graft, wherein the graft comprises two layers sandwiching a continuous ring that is then secured to the stent by a fastening member."

Applicants agree with this statement of Reasons for Allowance (1) only to the extent that it is consistent with one or more claims of this application and (2) only as it applies to any such claim.

It is noted, however, that this statement of Reasons for Allowance refers to a
